Subject: Return of Reclamation Contract, Anasazi Gold Reserves, Highland Mist Mine, S/021/0035, Iron County, Utah

Dear Mr. Terry:

On September 30, 2013, the Division of Oil, Gas and Mining approved the transfer of the Highland Mist Mine (S/021/0035) from Anasazi Gold Reserves to Cornerstone Industries, Inc. You are now released from any further reclamation responsibility at this site. Enclosed is your original reclamation contract that was filed with the Division for this project.

The Division still holds two reclamation sureties for this project (a letter of credit in the amount of \$14,000 and a cash bond of \$2,400). These will be released to you once the Division receives payment of \$3,370.00 for outstanding fines for past violations while the Highland Mist mine was your responsibility.

Thank you in advance for your prompt payment of these fines. Please call Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have any questions regarding this letter.

Sincerely,

for
Paul B. Baker
Minerals Program Manager
